MAXAM[®]
RIGHT FIRST TIME – EVERY TIME

MAXAM175[®]

GLASS REPAIR FILM

- Takes seconds to apply with no tools
- Puts safety first and eradicates hazard of broken glass
- Is aesthetically pleasing with no loss of daylight
- Goes on silently - no noisy sawing or hammering
- Almost invisible - doesn't attract further vandalism
- Completely seals out the elements
- Is perfect for repairs in PVC frames and double glazing
- Low fire risk - self-extinguishing when applied to glass
- Far lighter so less carbon footprint than heavy plywood
- Made with 30% recycled plastic - 1/3 tensile strength of steel
- EN 12600 1B1 top impact resistance for highest security
- No hideous boarding up and damage to window frames
- Can be left on indefinitely, safety permitting
- Old glass comes out safely, firmly stuck to the film

THE CHOICE IS CLEAR
